Tips to look your best

HERE ARE A FEW TIPS THAT WILL HELP YOU LOOK YOUR BEST:

- It's a good idea to include both casual and more formal outfits in your senior portraits.
- Long sleeve solids or very subtle prints are usually the most flattering in portraits.
- Traditional styles will stand the test of time and keep your portrait looking fresh for years to come.
- Some poses will show your shoes so don't forget to bring shoes & socks for each outfit that you plan to wear.
- Express your personality with props! A good prop can be anything – your favorite old hat, a musical instrument, motorcycle, car, letter jacket, sports equipment, pets and even your pals! That's right, your best friends can make great props, so bring them along if you want to be remembered forever with your friends.
- Most importantly, have fun and enjoy yourself! We always love to hear your ideas too!
